TREATMENT AGREEMENT

Confidentiality – All contacts with our therapists and clinic are confidential except in situations where you may be harmful to yourself or others. This includes physical or sexual abuse of a child. If your insurance has managed care, information will be shared for the purpose of coverage by your insurance. No information regarding you or your family members will be given to anyone outside the clinic without your written consent. Within the agency, information regarding your case is shared with the other clinic therapists for consultation purposes to enhance the services you receive.

-Hours of Service – Clinic hours are flexible and vary with each therapist. Your therapist is available by calling the main number (262-375-1116)

-Telephone – The clinic has a 24-hour answering service so you can contact your therapist in the event of an emergency. If your call is urgent, please let the answering service know so that your therapist, or the therapist on call, can be contacted.

-Cancellation or Failed Appointments – **Cancellations must be made 24 hours in advance or you will be billed for the professional fee; clients will also be billed for missed appointments.** Insurance companies will not reimburse for failed or improperly cancelled appointments and therefore you will be billed.

-Psychiatric/Psychological Evaluation/Consultations – Evaluations/consultations are available by our staff. The client or the therapist may request an evaluation/consultation. The client may ask the therapist or clinic director about this procedure. Your therapist may also want to refer you to a consultant outside our agency. Our staff does meet on a regular basis for case consultation.

TREATMENT BILLING POLICY

Insurance Responsibility – It is your responsibility to know what coverage your insurance provides. All charges are the sole responsibility of the responsible party, regardless of insurance payments. If there is a problem with receiving payment from your insurance carrier or if the claim process extends over two months, you will be expected to make payments. We will then reimburse you when the insurance company makes payments. **If the insurance check is paid directly to you, you are obligated to turn the check over to the clinic. Failure to do so will result in an 18% monthly interest fee which will be added to your account.**

Information About Fees:

	Nurse Practitioner	Doctorate level	Masters level
Initial Assessment Fee	\$280.00	\$185.00	\$165.00
Follow up appointment	\$150.00 per ½ hour	\$175.00	\$150.00

If you are a member of a managed health care plan, your fee may be reduced from that stated above. A therapy session normally consists of a **60 min. therapy hour** of face-to-face contact. The fee for sessions lasting less or more than 60 minutes will be prorated accordingly. The smallest billable unit is 30-minutes.

Self Pay Clients – Our clinic expects that you and your therapist will make arrangements for the professional fee. Clients are expected to keep the balance current and pay at each session. Collection Agency – Past due accounts will be given to our collection agency/attorney. All fees incurred by this action will be the responsibility of the client. If you have any concerns about payment or insurance billing, please feel free to discuss them with your therapist or the office manager.

I/We understand and agree to the above administration/billing policies in this agreement. My therapist has reviewed this billing with me and I/We agree to pay the deductible and any amount my/our insurance does not cover. I/We are aware that an unpaid balance will be referred to an attorney/collection agency as well as necessary information.
